

## **9th Bengaluru Space Expo 2026 7-9 September 2026 | Bengaluru, India**

The **Confederation of Indian Industry (CII)**, in association with the **Indian Space Research Organisation (ISRO)**, the **Indian National Space Promotion and Authorisation Centre (IN-SPACe)**, and **NewSpace India Limited (NSIL)**, announces the **9th edition of the Bengaluru Space Expo (BSX 2026)**, to be held from **7 to 9 September 2026** at the **Bangalore International Exhibition Centre (BIEC), Bengaluru, India**.

Since 2008, CII has worked closely with ISRO to strengthen India's space ecosystem through this flagship international conference and exhibition. Over the years, the Bengaluru Space Expo has emerged as a premier global platform for space agencies, industry leaders, innovators, policymakers, and private-sector stakeholders.

The 2026 edition, themed "**Harnessing Space for Global Progress: Innovation, Policy, and Growth**", will feature a three-day international conference and exhibition, B2B meetings, and dedicated sessions highlighting India's policy initiatives aimed at encouraging private sector participation and international collaboration in the space sector.

BSX 2026 will provide an ideal forum for Indian and international space agencies and companies to showcase capabilities, explore joint ventures, strengthen partnerships, and identify new avenues of cooperation in space and allied sectors. The event is expected to attract leading stakeholders from across the global space ecosystem.
