

## **Bharat Electricity Summit 2026 - International Exhibition and Conference on Power & Electrical Sector.**

EEPC India, the nodal organization under the Ministry of Commerce and Industry, Government of India, for the promotion of trade and investment in the engineering sector, is pleased to announce the **inaugural edition of the Bharat Electricity Summit (BES) 2026.**

The Bharat Electricity Summit 2026, a premier international exhibition and conference for the electrical and power sector, will be held **from 19 to 22 March 2026** at **Yashobhoomi, New Delhi**, under the patronage of the **Ministry of Power, Government of India**. The event is jointly hosted by **POWERGRID (Nodal Agency), NTPC, NHPC, REC, and PFC**, with **EEPC India as the Lead Coordinating Agency** and **dmg events as the Event Partner**.

The Summit is expected to bring together **over 25,000 energy professionals, 500+ exhibitors, 300+ speakers**, and **1,000+ delegates** from across the globe. It will serve as a world-class platform connecting India's power ecosystem with international policymakers, technology providers, innovators, and investors.

BES 2026 will feature strong national and international participation, including leading companies, country and state pavilions, and a dedicated **Buyer-Seller Meet** aimed at facilitating meaningful business engagement between global buyers and Indian solution providers. The event will highlight a wide range of focus product sectors across the power and electrical value chain.
