Slated to be the Grandest and the Biggest Spring edition

IHGF Delhi Fair, organized by the Export Promotion Council for Handicrafts (EPCH), India, is slated to be bigger and spectacular in its Spring 2023 edition to be held from 15th to 19th March 2023. Resuming its earlier form and stature with each successive show, this fair will be a full capacity show. The response and superb revival can be attributed to exemplary growth in exhibitor participation as well as buyer attendance in the past three editions.

The upcoming 55th edition is structured with a larger display with over 3000 exhibitors, theme as well as collective displays, several curated lines and design affirmations with a cross section of exhibitors ranging from medium and small exporters, artisan entrepreneurs and designers to India's leading manufacturer exporters. A choice of over 2000 products and more than 300 trend specific design developments across 14 display segments, defines this show held at the plush India Expo Centre & Mart, New Delhi-NCR.

In the show's famed broad based segments of Home, Fashion, Lifestyle, Textiles and Furniture, the product range will feature housewares, home furnishing, furniture, gifts and decorative, lamps and lighting, Christmas & festive décor, fashion jewellery & accessories, spa & wellness, carpets and rugs, bathroom accessories, garden accessories, educational toys & games, handmade paper products & stationery and leather bags. Collectively they offer a full spectrum of thoughtfully curated concepts and products at a single platform.

Added attractions like Theme Pavilions, Trend Areas, Craft Demonstrations, Ramp Presentations and Knowledge Seminars, besides Buyer Lounges and Refreshment Zones would make attending the show a truly wholesome experience.
